SKILLS

Languages: Python, C++, C
Web Technologies: HTML, CSS, JavaScript
Frameworks & Libraries: Flask
Databases: SQLite, MySQL
Developer Tools: Git, GitHub, VS Code
Core Subjects: Data Structures & Algorithms, OOP, DBMS, Discrete Mathematics
Soft Skills: Problem-Solving, Teamwork, Critical Thinking, Decision Making

PROJECTS

Student Productivity & Academic Management System | [GitHub](#)

Jun 2026 – Jul 2026

- Developed a web application to organize **subjects, attendance, assignments, and academic marks**.
- Implemented **Flask and SQLite** to store and manage student academic information.
- Created a centralized dashboard for viewing **academic records and activities**.

Tech Stack: Python, Flask, HTML, CSS, JavaScript, SQLite

Personal Expense & Budget Management System | [GitHub](#)

May 2026 – Jun 2026

- Developed a web application for recording and categorizing **personal expenses and monthly budgets**.
- Implemented **expense tracking** with automatic calculation of total spending and remaining budget.
- Used **SQLite** to store and retrieve expense records for organized financial tracking.

Tech Stack: Python, Flask, HTML, CSS, JavaScript, SQLite

Library Management System | [GitHub](#)

Jan 2026 – Feb 2026

- Developed a C++ console application to manage **books, students, book issuance, and returns**.
- Applied **Object-Oriented Programming** using classes, objects, encapsulation, and vectors.
- Implemented **book searching and sorting** using C++ Standard Template Library algorithms.

Tech Stack: C++, OOP, DSA, STL

TRAINING

Community Development Project – Beginner Python Training

Jul 2026

- **Conducted** a beginner-level Python training program at Cha Cha Nursery and UP School, strengthening students practical programming knowledge and computer literacy.
- **Delivered** approximately **30 hours of structured training** covering computer fundamentals, programming concepts, and introductory Python through practical examples and interactive sessions.
- **Facilitated** hands-on learning through student interaction, doubt clarification, and feedback collection to reinforce understanding of core programming concepts.

Tech: Python

CERTIFICATES

Programming Fundamentals using Python — Parts 1 & 2 | [Infosys Springboard](#)

Jul 2026

EXTRACURRICULAR ACTIVITIES

NSS Volunteer - Participated in community service and social-awareness activities

Jun 2023 – May 2025

Student Police Cadet (SPC) - Participated in activities promoting discipline, teamwork, leadership, and social responsibility

Jun 2020 – May 2023

EDUCATION

Lovely Professional University

Bachelor of Technology in Computer Science and Engineering

Phagwara, Punjab
Aug 2025 – Present

Chattanchal Higher Secondary School

Class XII — Percentage: 93.3%

Kasaragod, Kerala
Jun 2023 – Mar 2025
